

Safety Data Sheet

Product Name : Rubia S 40

Page: 1/4

Version : 1

Date of issue : 2005/02/18.

MSDS No. : Not available.

Date of previous issue : No Previous Validation.

Label Requirements

Risk phrases : This product is not classified according to the EU regulations.

1. Identification of the substance/preparation and of the company/undertaking

Product name : Rubia S 40
Product code :
Use of the substance/preparation : Engine oil.
Supplier : TOTAL South Africa
P.O. Box 579
Saxonwold
2132
Emergency telephone number : +27 11 778 2000
+27 82 551 2753
0860 111 111 (SA Only)

2. Composition/information on ingredients

Substance
Chemical characterization : Petrochemical.

| Ingredient name | CAS number | % | EC number | Classification |
|--|------------|------|-----------|-------------------------|
| Base oils | | >90 | | Not classified. |
| phenol, 2,2'-polythiobis[4-c8-30-alkyl derivs., calcium salts, overbased | 90480-91-4 | <2 | 291-829-9 | R53 |
| benzenesulfonic acid, propenated, calcium salt, overbased | 68610-84-4 | <0.9 | 271-877-7 | Xi; R43. R53 |
| Polyolefin polyamine succinimide | | <2 | | R53 |
| Zinc alkyldithiophosphate | 68649-42-3 | <1 | 272-028-3 | Xi; R36, R41, N; R51/53 |
| See section 16 for the full text of the R Phrases declared above | | | | |

* Occupational Exposure Limit(s), if available, are listed in section 8

3. Hazards identification

The substance is not classified as dangerous according to Directive 67/548/EEC and its amendments.

Classification : Not classified.
Physical/chemical hazards : No known significant effects or critical hazards.
Human health hazards : Inhalation of oil mist or vapors at elevated temperatures may cause respiratory irritation.
Environmental hazards : No known significant effects or critical hazards.

See section 11 for more detailed information on health effects and symptoms.

4. First aid measures

Inhalation : If inhaled, remove to fresh air. Get medical attention if adverse health effects persist or are severe.
Ingestion : Do NOT induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. Get medical attention if symptoms appear.
Skin contact : Remove contaminated clothing and shoes. Wash contaminated skin with soap and water. Get medical attention if irritation develops.
Eye contact : In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention if irritation develops.
:
:

See section 11 for more detailed information on health effects and symptoms.

Safety Data Sheet

Product Name : Rubia S 40

Page: 2/4

Version : 1

Date of issue : 2005/02/18.

MSDS No. : Not available.

Date of previous issue : No Previous Validation.

5. Fire-fighting measures

- Extinguishing media : In case of fire, use water spray (fog), foam, dry chemicals, or CO₂.
Never direct a water jet in the container in order to prevent any splashing of the product which could cause spreading of the fire.
- Special exposure hazards : No specific hazard.
- Hazardous thermal decomposition products : These products are : carbon oxides (CO, CO₂).
- Special protective equipment for fire-fighters : Fire fighters should wear appropriate protective equipment and self-contained breathing apparatus (SCBA) with a full facepiece operated in positive pressure mode.
- Remark : If fire can be controlled, cool container with water from unmanned hose holder or monitor nozzles until well after fire is out.

6. Accidental release measures

- Personal precautions : Use suitable protective equipment (Section 8).
- Environmental precautions : Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and sewers.
- Methods for cleaning up : If emergency personnel are unavailable, contain spilled material. For small spills add absorbent (soil may be used in the absence of other suitable materials) scoop up material and place in a sealed, liquid-proof container for disposal. For large spills dike spilled material or otherwise contain material to ensure runoff does not reach a waterway. Place spilled material in an appropriate container for disposal.

7. Handling and storage

- Handling : Wash thoroughly after handling.
- Storage : Keep container tightly closed. Keep container in a cool, well-ventilated area. Combustible materials should be stored away from extreme heat and away from strong oxidizing agents. Outside or detached storage is preferred.

Packaging materials

- Recommended : Use original container. Empty containers retain product residue and can be hazardous.

8. Exposure controls/personal protection

| <u>Ingredient name</u> | <u>Occupational exposure limits</u> |
|------------------------|--|
| oil mist, mineral | ACGIH TLV (United States, 9/2004). Notes: Adopted Values enclosed are those for which changes are proposed. Consult the Notice of Intended Changes for current proposal. See Notice of Intended changes. STEL: 10 mg/m ³ 15 minute(s). Form: All forms TWA: 5 mg/m ³ 8 hour(s). Form: All forms |

- Occupational exposure controls : Provide exhaust ventilation or other engineering controls to keep the airborne concentrations of vapors below their respective occupational exposure limits. Ensure that eyewash stations and safety showers are proximal to the work-station location.
- Respiratory protection : Use a properly fitted, air-purifying or air-fed respirator complying with an approved standard if a risk assessment indicates this is necessary. Respirator selection must be based on known or anticipated exposure levels, the hazards of the product and the safe working limits of the selected respirator.
- Hand protection : Chemical-resistant, impervious gloves or gauntlets complying with an approved standard should be worn at all times when handling chemical products if a risk assessment indicates this is necessary.
Recommended: nitrile rubber, neoprene.
- Eye protection : Safety eyewear complying with an approved standard should be used when a risk assessment indicates this is necessary to avoid exposure to liquid splashes, mists or dusts.

Safety Data Sheet

| | |
|----------------------------------|---|
| Product Name : Rubia S 40 | Page: 3/4 |
| Version : 1 | Date of issue : 2005/02/18. |
| MSDS No. : Not available. | Date of previous issue : No Previous Validation. |
| Skin protection | : Personal protective equipment for the body should be selected based on the task being performed and the risks involved and should be approved by a specialist before handling this product. |

9. Physical and chemical properties

General information

Appearance

| | |
|----------------|-----------------------------------|
| Physical state | : Liquid. (Clear viscous liquid.) |
| Color | : Yellowish. |
| Odor | : Characteristic. |

Important health, safety and environmental information

| | |
|-------------------------------------|---|
| Melting point | : not available |
| Flash point | : Closed cup: >240°C (464°F). |
| Relative density | : 0.89 (15°C / 59°F) |
| Solubility | : Easily soluble in n-octanol. Insoluble in cold water, hot water. |
| Octanol/water partition coefficient | : The product is more soluble in octanol; log(octanol/water) >6 |
| Viscosity | : 15.5 mm ² / sec @ 100 C |

Other information

| | |
|---------------------------|------------------|
| Auto-ignition temperature | : >250°C (482°F) |
|---------------------------|------------------|

10. Stability and reactivity

| | |
|----------------------------------|---|
| Stability | : The product is stable. |
| Conditions to avoid | : Avoid all possible sources of ignition (spark or flame). Avoid breathing vapors or spray mists. |
| Materials to avoid | : Reactive with oxidizing agents. |
| Hazardous decomposition products | : carbon oxides (CO, CO ₂) |

11. Toxicological information

Potential acute health effects

| | |
|--------------|---|
| Inhalation | : Inhalation of oil mist or vapors at elevated temperatures may cause respiratory irritation. |
| Ingestion | : No known significant effects or critical hazards. |
| Skin contact | : No known significant effects or critical hazards. |
| Eye contact | : No known significant effects or critical hazards. |

Potential chronic health effects

| | |
|-----------------------|---|
| Carcinogenicity | : No known significant effects or critical hazards. |
| Mutagenicity | : No known significant effects or critical hazards. |
| Reproductive toxicity | : No known significant effects or critical hazards. |

Over-exposure signs/symptoms

| | |
|-----------------------|---|
| Inhalation | : No known significant effects or critical hazards. |
| Ingestion | : No known significant effects or critical hazards. |
| Skin | : No known significant effects or critical hazards. |
| Target organs | : Causes damage to the following organs: skin. |
| Other adverse effects | : Repeated exposure may cause skin oil blisters. |

Safety Data Sheet

Product Name : Rubia S 40

Page: 4/4

Version : 1

Date of issue : 2005/02/18.

MSDS No. : Not available.

Date of previous issue : No Previous Validation.

12. Ecological information

Remarks : Product is not hazardous to water. Not expected to bioaccumulate. Inherently biodegradable

13. Disposal considerations

Methods of disposal : Non-hazardous waste
Recycle, if possible.
The generation of waste should be avoided or minimized wherever possible. Disposal of this product, solutions and any by-products should at all times comply with the requirements of environmental protection and waste disposal legislation and any regional local authority requirements.

14. Transport information

| Regulatory information | UN number | Proper shipping name | Class | Packing group | Label | Additional information |
|------------------------|----------------|----------------------|-------|---------------|-------|------------------------|
| ADR / SABS 0228 Class | Not regulated. | - | - | - | | - |
| IMDG Class | Not regulated. | - | - | - | | - |
| IATA Class | Not regulated. | - | - | - | | - |

15. Regulatory information

SABS 0263 / EU Regulations

Risk phrases : This product is not classified according to the EU regulations.
Product use : Classification and labeling have been performed according to EU directives 67/548/EEC, 1999/45/EC including amendments and the intended use.
- Industrial applications.

16. Other information

Full text of R phrases referred to in sections 2 and 3 - Europe : R53- May cause long-term adverse effects in the aquatic environment.
R41- Risk of serious damage to eyes.
R38- Irritating to skin.
R51/53- Toxic to aquatic organisms, may cause long-term adverse effects in the aquatic environment.
R43- May cause sensitization by skin contact.

Prepared by : TOTAL South Africa Technical Department.

Notice to reader
